Walk to everything in downtown Qualicum Beach. Yes, living in the village at its best! This spacious three level 1817 square foot townhome offers great in-town living. Check out the two primary suites on the upper level with added storage and the convenient laundry centre. The main level features a peninsula style kitchen with lots of cabinetry and counter space overlooking the open dining/living areas. Relax on the open deck. The entry level includes a large, single car garage, family or third bedroom plus two-piece bath. Enjoy the private patio/garden area (with additional storage). Bonus value of an inline multi level storage location that can be upgraded to a private elevator for future aging in place. This custom designed building offers quality finishing throughout, heat pump efficiency and so much more. Walk to everything. Qualicum Beach at its best.
