\$4,500,000

3 Bedrooms | 3 Bathrooms | 3,780 Sqft

This private 8-acre waterfront estate is minutes from Qualicum Beach. Designed/custom built for the present owners. The west coast feeling starts with the amazing front entry created by artisan carver Francois Mongeau. Extensive use of natural materials including fir, cedar, arbutus, slate and granite add to the home's richness and beauty. Experience the stunning great room with magnificent 23 foot ceiling height. The open plan living area features extensive glass work, skylights, a towering double-sided fireplace, entertainment style kitchen with top end appliances plus a welcoming all day dining room. The private master suite and comfortable library offer perfect main floor living. Custom stairway up to open vistas and two guest suites. The seasonal guest house welcomes summer guests. The 2360 sq. ft. workshop plus mezzanine offers room for RV storage and much more. Wander down the trail through the forest to miles of private beach, from pebble to sand. It is a magical location.
